## IMPORTANT INFORMATION REGARDING SCHOOL UNIFORM

- **Official suppliers:** uniform must be sourced from the named supplier, where specified; for example, grey trousers must be from Fletcher Sports to ensure consistency among the pupils; bags should be from the **Blanchelande Sustainability Shop** (this is mandatory for Year 7)
- **Named items:** all items of clothing, shoes and property must be clearly and permanently marked with the pupil's name.
- **Overcoats:** senior students may wear a dark coloured (i.e. black or navy blue) waterproof coat during cold weather, over their blazers. Coats must be plain in design, without decoration or visible branding (coats should not have a visible fur lining/hood).
- **Undergarments:** all undergarments worn under white blouses and shirts must be white and not carry any motif or visible logo.
- **Skirts:** senior girls must ensure that their skirts are fitted on their 'natural' waist and not higher as the hem of the skirt must be worn *strictly at knee length*. If a girl's natural body shape makes it difficult to find a skirt that fits and reaches the correct length, they may ask permission from their Head of Phase to partially roll up at the waist. The Head of Phase will inform staff so that the student is not sanctioned.
- **PE kit:** fleeces and sweaters are not to be worn as replacement uniform. PE kit may not be worn in academic lessons unless specified by the Games department. As a general rule, if PE/Games is in periods 1-2, students should come in kit and change back into uniform afterwards; if PE/Games is later in the day, they should come in uniform and change into kit at school. Staff will inform them whether they are required to change back into uniform for the rest of the school day.
- **Water bottles:** available from the B'sss (Blanchelande Sustainability Shop)
- **Hair:** hair styles should be sensible and tidy.
  - Short hair: 'Buzz cuts' (ie haircuts with shavers only) are not permitted and students with such an appearance may not be permitted to attend school. Round the sides and back, hair should be no shorter than a grade 3.
  - Long hair: should be tied back and off the face at all times when on school property (e.g. pony tail, plaits).
  - Hair accessories should be black, white or red.
  - Unnatural coloured hair and extreme styles are not permitted.
  - Boys should be without facial hair, including the Sixth Form.
  - If in doubt about the suitability of a hair-cut, please contact the Principal beforehand.
- **Makeup:** girls in the senior school should not wear visible makeup; as a general rule, some foundation may be applied. Girls will be asked to remove any excessive makeup in the school office; coloured nail varnish is not permitted.

# Blanchelande College

- **Earrings:** Girls in the senior school *only* may wear earrings – and these should be simple gold or silver *studs* (ball shaped and not hoops or containing stones, etc), one in *each* lobe.
- **Jewellery:** Pupils should not wear any other jewellery, with the exception of a simple cross, crucifix or saint's medal and chain.
- **Exceptions:** any pupil not able to be in the correct Blanchelande College uniform during the school day must present a note from their parents/guardians to the office before morning Registration.
- **School bags:**
  - These are available to purchase from the B'sss (Blanchelande Sustainability Shop)
  - Red branded school bag and grey games bag
- **Watches:** Pupils may wear a wrist-watch; smart watches (ie receiving notifications and messages) are strictly prohibited; fitbits etc may only be worn if they do not receive notifications etc.

***Please note:***

- *Students who come to school without the correct uniform will be withdrawn from lessons until the correct uniform has been delivered to them.*
- *Students who wear uniform inappropriately will be sent to the School Office, where they will be required to dress themselves properly (in the Medical Room if required).*
- *Failure or refusal to adhere to uniform requirements will result in sanctions as outlined in the Behaviour policy.*
- *Daily – and at least weekly - uniform checks will be carried out by form teachers throughout the school year.*
